GREETINGS FROM YOUR AWCCS PRESIDENT

Greetings Society,

Thank you to every one who expressed such a great Summer. Despite the usual issues, monsoon heat and political upheaval, I hope you all were able to take a break, or three and a couple Pimms and have some fun! Hard to believe after a summer recess we are already into our Winter Newsletter. Thank you to Kate, Nancy, Mary Jo, Ruth and Rebecca for putting it together. Our Thanksgiving is coming up on November 27th and we are looking forward to a great evening with our friends and family. Please see the above for details and RSVP by the 14th November. Kate is organising our Silent Auction and we are looking forward to seeing what she has managed to source this year. Our Winter Ball is on Saturday 3rd December and we are looking forward to having our Thanksgiving guests, our Consulate Staff and our Honorary Consuls with us for a great night. Our Winter Ball is our biggest event of the year and we want to ensure everyone has a great time and that it is a fantastic evening.

We've experienced a journey this month by creating for us. The season was arranged, entered into technique for our visual showcase. We want to thank Kate once again and to thank all of you for your support as we navigate through a year as the stories other men's stories. Kate's Silent Auction, Thanksgiving, Winter Ball and other events are coming up. Please, please, please,

Dear FAWCO friend,

If you are a member of a FAWCO group, please **pass this newsletter on to your fellow members**.

If you are not a member, please **share this newsletter with your friends and family**. Tell them about the wonderful work that the FAWCO and our Member Groups do in our communities around the world, and how they can get involved.

Please note that even if you are a member, **you do not need to be a member of a group to attend our events or participate in our projects**. Our Member Groups welcome members of the community at large, and our projects are open to everyone. Please check out our website and our Facebook page for more information about what we do and how we do it.
